Description:

You are important to God - so important that He wants you to be all you can be for Him!Girls -- Have you ever wished you had an older woman--someone besides mom--to talk to about important things? Do you sometimes find it hard to understand what God is saying in His Word, the Bible? Would you like to feel more comfortable in social settings like fancy dinner parties? Do you like to have fun? Appleseeds is for YOU!Moms -- Do you sometimes wonder what your pre-teen is thinking? Do you wish for an older womans advice? Would you like help in developing your daughters self image and social skills? Have you longed for a Bible study that was uniquely crafted to teach your daughter about God? Would you like to spend some time having fun with your daughter? Appleseeds is for YOU!Appleseeds is a unique mentoring program for

girls ages 9 to 12. The purpose of Appleseeds is to teach young girls how important they are to God, to their family and to others around them. They will learn that they are created in the image of God, that they are valuable to God and others. Like Apples of Gold, Appleseed classes are held in Homes with Grammy mentors teaching the Bible lesson. Moms of the girls will come to help with the etiquette and craft sessions. They will be taught that serving God and others is a high calling, and hopefully, everyone will have lots of FUN in the process.

I have used this book to teach 5 & 6 grade girls at my church. They love this program and it is a simple guide to use. I recommend having other mentoring ladies on board to help disperse the responsibilities. At the beginning we have a sign up list at the beginning so mentors can choose areas of serving the girls. For example: each lady takes a turn providing a snack, doing a lesson, teaching the craft, support by attending each session & mentoring as needed. This lightns the load of the leader who organizes the program. We use a 1.5 hour slot during and inbetween church times to hold the class.
